EDUCATION

Yonsei University, Seoul, Korea **| Mar 2023 - Present**

Candidate for Bachelor of Business Administration, expected Feb 2028

- GPA: 4.23/4.3

WORK EXPERIENCE

BENOW (numbuzin · fwee · Knock), Seoul, Korea **| Sep 2026 - Present**

MD Intern, Japan Business | numbuzin & fwee

- Analyzed 1,061 Japanese-language reviews from Qoo10 and @cosme to recommend time-saving skincare and makeup-prep messaging for numbuzin in Korea
- Revamped numbuzin's Qoo10 shop around ingredients and skin concerns, restructuring recommended searches, 20 campaign tags, and product-line titles; planned Mega Po main visuals, livestream banners, and coupon banners
- Consolidate fwee's daily sales data across 5 e-commerce channels (Qoo10, Rakuten, Amazon, TikTok Shop, and its online store); validate pre-event product codes and update Qoo10 inventory

ALUS Healthcare, Seoul, Korea **| Mar 2025 - Sep 2025**

Brand Manager

- Launched POWAPOWA, a wellness and beauty brand, defining its identity and positioning and attracting inbound collaboration proposals from Qoo10 Japan and Marriott's Moxy Seoul Insadong
- Led device and packaging planning and e-commerce UX (information architecture and wireframes); reduced unit production costs by 24% through manufacturer sourcing and price negotiation
- Grew Instagram from 10 to 1,707 followers through social content, 10 influencer collaborations, and a brand supporter program that produced 48 UGC assets

NOI LAB, Seoul, Korea **| Dec 2023 - Oct 2024**

Service Planning & Business Support Intern, Contents Team

- Planned a training-app renewal with gamification and a points system to address weak repeat-use incentives and limited progress feedback; defined 2024 OKRs and KPIs and proposed execution priorities
- Designed cognitive sports curricula across 5 developmental domains for preschoolers, children, and older adults; iterated through testing with children, leading to adoption as an official company program

SELECTED PROJECTS & ACTIVITIES

began | UXIM (HCI/UX Society) **| Mar 2026 - Sep 2026**

Product Manager

- Led began's planning for diners with dietary restrictions, from concept, target users, and personas to usability testing and iterative UI/UX design; the team won 1st place at UXIM x YCC and an Excellence Award at the 2026 Summer Workstation showcase
- Led began's service marketing and external partnership outreach; generated 19,220 Instagram views and 365 new followers within the channel's first 10 days (Aug 2026)

3HOURSAGO (Travel Platform) **| Apr 2025 - Mar 2026**

Affiliate Content Creator

- Drove USD 17,000 in cumulative travel-product sales through affiliate links, refining content and booking guidance using performance data

KCC (Commerce & Strategy Society) **| Aug 2024 - Nov 2024**

Service Planning & UI/UX Design Lead

- Developed a location-based camera app concept and UI/UX for B2C expansion; won 1st place in the final pitch, contributing to the partner company's commercial launch
